# PLAY CRACK GOLF

Ball Match With Kerrigan and McLean.

MATCH BOOSTS WAR FUND

and Gil Nicholla, played with all their cretwhite brilliancy in a fourball exhibition match against Tom Kerrigan and George McLean, on the links of the Cherry Valley Club yestorday. The oldfitmers won by 7 up and 6 to play, never losing a hole during the match proper.

So well had Kerrigan and McLean, who are the Siwanoy and Grest Neck professionals respectively, been playing during the last season, that not a few linear than ever there needs to be a roundup of opinious, a frank discussion of ideals, and a purposeful attempt to accomplish combination. Furthermore, the weather was anything but conducive to good golf, a cold raw wind making.

Take a glance at the situation as it stands to day the match of the world. Now that peace in golfing marked the world seem, as a well known and thoroughly posted golfer said the other day, that peace in golfing marked the other day, that peace in golfin

thought they would be a considered in the second considered and overcoats a necessity of the second considered and settled the second considered and settled considered considered and settled considered sweaters and overcoats a necessity.

Even so, Smith and Nicholis appeared to be in the best of spirits, minding the elements not at all.

The match was for the benefit of the Inited War Work Campaign, and although no exact figures were given out last night, it was said that a goodly pum had been raised. Members of the

Nicholis was especially good in the sarly stages. It was he who got the jump on the other side by bringing off to often challenged after such have been to the first green for a 3, a stroke under par. His side won the this country. There should be one such this country. a stroke under par. His side won the this country. There should be one such third hole, thereby becoming 2 up. At the fourth he chipped in a mashle shot whether they are on the executive comfrom the edge of the green, getting a 4.

On his attempt for another 4 at the sixth hole he overran and missed coming back, taking 5. His partner, however, was right on the job with a 4—good enough to win. By the time the turn was reached the Scotch-English pair had an advantage of the sixth hole he overran and missed coming back, taking 5. His partner, however, was right on the job with a 4—good enough to win. By the time the sixth hole he overran and missed coming back, taking 5. His partner, however, was right on the job with a 4—good enough to win. By the time the liver was reached the Scotch-English of the sixth hole he overran and missed coming back, taking 5. His partner, however, was right on the job with a 4—good enough to win. By the time the liver was reached the Scotch-English of the sixth o pair had an advantage of 5 up.

#### Played the Bye Holes Too.

After that it was only a matter of a short time when Nicholis and Smith settled all doubts by winning the tenth and twelfth holes in 4 each. Smith setifth holes in 4 each, Smith getting 4 at No. 12. They played the bye holes, and Nicholis had a bit of hard luck at the thirteenth, where his bill landed on the roadway in such a bad lie that it cost him two strokes and he took
7 for the hole. At the next he had an
indifferent drive, and he nedeed 5. He
had the round in 77, Smith being two

## POPULAR WITH FANS None of the three hit the ball like the

So Proved by Investigation of a Northern University in 1908.

FAVOR THE VERNACULAR

None of the three hit the ball like the great Honus Wagner or the classy Larry Lajole, or the renowled Frank Baker of later years. They were not hitters of that sort. But they did get on the bases and they did it by hitting safely. Their blows, however, were not of the "fence-busting," screaming liner variety. They were the sort of tidy little bingles labelled "one base only," such as are now known as Texas leaguers. It was in a game at Syracuse shortly after the Texas combination joined Toledo that Pitcher O'Brien, after Sunday, Joyce and Rogers dropped safe

men condemning the common use of what is generally termed slang; additional columns have been written condoning it. A universal agreement on the ened to make itself indispensal subject has apparently long since become the "Cincinnati base hit." It lived a hopelessly out of the question and more than 98 per cent. of the newspapers of the country continue to serve out to readers reports of the American national pasting and other stories pertaining base was occupied and the batsmen hit thereto which fairly bristle with the the ball to the infield and the attempt

tion for resorting to slang phrases, or a and no retirement made the batsman wholesale slaughtering of the King's should be credited with a hit. Others English in reporting baseball. This in-argued that it worked an unwarranted cestigation was not prompted by any hardship on the pitcher, in that the ball special prejudice against the use of slang so in writing baseball but was due rather to a desire to arrive at some standardization of reporting the game which would not offend and grate upon the finer sensibilities of those who had condemned the use of slang yet were sufsiciently interested in the game to peruse the daily press for results. After an exhaustive investigation this

After an exhaustive investigation this investity announced that there was tothing discovered in the baseball vertical and bleachers during the season did not understand fully and that the popular demand for the use of baseball lang in published reports was unques lonably so great as to preclude its And so from that day to this the pub-

lic has not been called upon to read any further condemnation of baseball re orts as written by the overwhelming najority of sporting writers throughout he good old U. S. A. Some of the most familiar terms used n baseball reports have been handed lown from generation to generation and

used so generally as to be practically

indispensable, yet the origin of such erms is to many writers absolutely un The most commonly used of suc phrases is one which almost invariable puts in an appearance at least once in every baseball story and has a special significance for Texas baseball fans Reference is made to the term "Texas leaguer." There is perhaps not a twelveyear-old schoolboy in the United States who has ever attended baseball game-

plied by that trite phrase He understands immediately that some bateman has connected with the offering of a pitcher and in doing so has popped up a little short fly ball which falls too far back to be captured by the infield and too far in to be handled by the outfielder. To ask any sporting writer of staddedsmeu sqi oq pamiripov sum opejo. deput of 1 sinon on seet lotter of of that city under generously large and stood the play would constitute nothing short of a downright insuit, yet it is more than probable that not one of every give an accurate explanation of the Hotel Bureau, origin of the phrase or even satisfy him - Hway, 661 Fifth
